

NECESSARY CLOTHES AND EQUIPMENT

PLEASE NAME/LABEL CLOTHES AND POSSESSIONS

In addition to ordinary everyday wear, Choristers will need:

For the church services

- Choir robes and ribbons (available to borrow from Camp if required)
- Smart clothes, appropriate for church, on a labelled hanger:
White shirt and tie, or smart top, with smart dark trousers (no denim) and dark coloured socks, or skirt, or smart dress
- Black shoes (no high heels), in a labelled bag

For the concert

- Smart clothes, appropriate for church (concert venue is a church), on a labelled hanger:
White shirt and tie, or smart top, with smart dark trousers (no denim) and dark coloured socks, or skirt, or smart dress
- Smart shoes (no high heels), in a labelled bag

For outdoor and sports

- Water bottle, ½-1 litre (label will be supplied)
- Waterproof jacket
- Warm fleece or hoody
- Sports clothes and shoes
- Wellington boots or other waterproof shoes such as beach/river shoes (for dam building – no flip flops)
- Old shoes, with enclosed toes (these will get wet during activities) - old trainers/gym ideal
- Swimming kit and extra towel (useful for dam-building)

For overnights

- Bed roll - *please do not bring camp beds or air beds (their noise disturbs others and space is limited)*
- Sleeping bag & Pillow
- Towel
- Toiletries
- A small torch

Medication - any prescription medicines etc. required.

If medicines need to be kept secure, please bring them in a secure container. (Any special requests should be noted on the Pre-Camp Registration Form including storage of spare medication by the Health Team). Choristers bringing EpiPens are strongly advised to bring two – one to be carried with them and one to be held by the Health Team. We also invite you on the Pre-Camp Registration Form to authorise Camp Staff to supply common items of medication as required.

Please note that the Health Team are on hand at all times, as such, Choristers are expected to hand in all medication (prescription or non-prescription where a dosage limit applies) with dosage information attached. Non-prescription products, such as sun cream, insect repellent, throat lozenges, menstrual products, etc. should be brought as necessary (supplies are also kept by the Health Team).

Pocket money - recommended £5-£15, to be handed to Bank on arrival for safekeeping, and then available as required. A tuck shop will be available. Parents are asked not to send choristers with 'junk food'. The menus are carefully thought out and it is important for choristers to eat well in the interests of good health and singing. Please no chewing gum!
